INTRO [6/8]: ||: *Em7* *G/B* *C* *G* //

VERSE 1:

G

Oceans of love could never contain

Em7

All of Your love forever untamed

G/B

C

G

With one final breath You vanquished my death

D

G

And laid to rest all my transgressions

VERSE 2:

There in the tomb broken and bruised

For every disease all heaven broke through

I was dead in my grave but You swallowed my plague

You poured out your blood for my resurrection
