-- Cappo 4th fret

```
      Cmaj7                          Em                D
If my heart is overwhelmed and I cannot hear Your voice
        Cmaj7                          G          D/F#
I'll hold on to what is true though I cannot see
      Cmaj7                              Em                D
If the storms of life they come and the road ahead gets steep
     Cmaj7                          G          D/F#
I will lift these hands in faith I will believe
```

Bridge:

```
    Am7             G/B             D
I remind myself of all that You've done
        Am7          G/B            C
And the life I have because of Your Son
```

Chorus:

```
 G                                  Cmaj7
Love came down and rescued me Love came down and set me free
      Em         D                 C
Now I am Yours I am forever Yours
  G                                Cmaj7
Mountain high or valley low I sing out remind my soul
Em        D             Cmaj7
I am Yours I am forever Yours
```

Vs 2

When my heart is filled with hope when every promise comes my way
When I feel Your hands of grace rest upon me
Staying desperate for You God Staying humbled at Your feet
I will lift these and praise I will believe

Chorus: 2

```
       G          Cmaj7          Em   D     C
I am Yours I am Yours all my days I am Yours
