You chart the path ahead of me  
Show me all that I can be  
Every moment You are near  
In every step through every fear  
There is nowhere I can go  
To be without You You're everywhere

**A2**  
Looking to the heavens You're there  
**E/G#**  
And in the dark depths of despair  
**D** **Bsus** **B**  
Even there Your Love will find me  
**A2** **E/G#**  
Knowing that I'm never a-lone

Even if Your Hand takes my home

To the other side of the sea  
**A2** **E/G#** **Bsus** **B** **A2** **E/G#** **Bsus** **B**

You're ev'ry-where
